

AMBASSADOR TRAINING PACK

Everything you need to refer drivers and earn commission

Version 1 | July 2026

iZinga — operated by Curiousoft (Pty) Ltd | Reg. 2016/429327/07

Welcome to the iZinga Ambassador Programme. This pack tells you exactly what iZinga is, how your referral link works, what you earn, and what to say (and not say) when you recruit drivers. Read it once — then go earn.

R70

once-off per driver approved

typical driver approval time

R0

cost to become an ambassador

WHAT'S INSIDE

1	What is iZinga?	The product, the mission, who uses it
2	Your role as Ambassador	What you do and what you don't do
3	How referrals work	QR code, referral link, step-by-step
4	How you get paid	Commission, payouts, bank setup
5	Using your dashboard	QR tab, My Drivers, My Payouts
6	What to say	Pitch guide and key messages
7	Rules & prohibited conduct	Do's, don'ts, and consequences
8	FAQs	Common questions answered

What is iZinga?

iZinga is a same-day delivery platform that connects customers and businesses with independent delivery drivers and messengers. Think of it as the infrastructure that powers last-mile delivery for food, groceries, parcels, and documents.

Who uses iZinga?

- Customers – individuals who need something delivered quickly
- Stores & restaurants – businesses that need reliable same-day delivery
- Drivers & messengers – independent contractors who earn per delivery
- Ambassadors (you) – people who recruit drivers and earn commission

iZinga's mission

To create economic opportunity for delivery drivers across South Africa by connecting them with stores and customers through a simple, fair platform.

How does a driver earn?

Once a driver is approved on iZinga, they accept delivery jobs through the iZinga driver app. They are paid daily – at 17:00 each business day – directly to their bank account or e-wallet for all completed deliveries. There are no weekly delays, no holding periods.

Your Role as Ambassador

As an iZinga Ambassador you are an independent contractor — not an employee. Your job is to recruit drivers in person: introduce them to iZinga, and stay with them while they register and upload their documents, right through to submission.

You ARE responsible for:

- Sharing your referral QR code or link
- Explaining what iZinga is and how drivers earn
- Staying with the driver while they register
- Helping them upload every required document
- Waiting until they submit their application before you leave
- Answering basic questions using info in this pack

You are NOT responsible for:

- Approving or rejecting drivers
- Charging drivers any fee for registration or your help
- Promising specific earnings or approval timelines
- Signing anything on iZinga's behalf

Stay until they submit

Stay with your driver, help them upload every required document, and only leave once they've submitted. Your R70 is paid when they're approved — a clean, complete submission means fast approval.

Important

iZinga approves every driver independently. Referring someone does not guarantee they will be approved. Never promise approval to a prospective driver.

How Referrals Work

iZinga tracks every referral through your unique Ambassador ID. This ID is embedded in your personal referral link and QR code. Ambassadors recruit in person — you stay with your driver from the first scan through to submission.

1 Get your QR code

Open your iZinga Ambassador dashboard and go to the QR tab. Your personal QR code is displayed there.

2 Sit with your driver

Show the QR code to the driver in person. Stay with them — you'll be helping them through the next steps.

3 Driver scans & registers

The driver scans the QR code with their phone camera. It opens the iZinga registration page with your Ambassador ID pre-loaded.

4 Help them upload every document

Stay next to your driver as they upload each required document (ID, licence, proof of vehicle, bank details). Don't leave until they hit submit.

5 Driver is approved & you earn

Once iZinga approves the driver, you earn a once-off R70 commission. This is paid in the next automated payout run after approval.

Your referral link

You can also share your referral link directly (e.g., on WhatsApp or social media) before meeting up with your driver. It looks like this:

Your referral link format

https://onboarding.izinga.co.za/individuals?ref=YOUR_AMBASSADOR_ID

Find your personal link on your Ambassador dashboard under the QR tab.

How You Get Paid

R70

once-off per driver approved

17:00

daily payout run time

1 approval

is all it takes to earn

Commission explained

You earn a once-off R70 for each driver you refer who gets approved by iZinga. The commission is triggered at the point of driver approval – not per delivery. Each driver counts once, no matter how many deliveries they go on to complete.

- Commission is paid in the next automated payout run after the driver is approved
- iZinga's payout run happens daily at 17:00 on business days
- Payment goes to the bank account you registered on the iZinga platform
- You must have your bank details correctly set up before payouts are processed
- You are responsible for declaring this income for tax purposes

What does NOT earn commission

- A driver who registers but is not approved by iZinga
- A driver you did not refer (your Ambassador ID must be in their registration record)
- A driver you have already earned commission for – each driver pays out once only

Setting up your bank account

To receive payouts, you need to add your bank account details in the iZinga onboarding app. Go to your profile and enter your bank name, account number, and branch code. iZinga supports all major South African banks and e-wallets (including FNB eWallet and Capitec Send Money).

Important – no bank details, no payout

Commission accrues in the system whether or not you have bank details. But it will not be paid out until your bank account is correctly captured. Set this up before your first driver is approved.

Using Your Dashboard

When you log into the iZinga onboarding app as an Ambassador, you see a dedicated dashboard with four cards:

Card	What it does
• My QR Code	Shows your personal referral QR code. Screenshot or share directly from here.
• My Drivers	Lists every driver who registered through your referral link, and their current status.
• My Payouts	Shows your commission history — how much you earned and when each payout was processed.
• My Agreement	Your signed Ambassador ICA (Independent Contractor Agreement). You can review it any time.

Tip — check My Drivers regularly

If a driver you referred still shows as “pending” by the end of the day, follow up with them to check that all required documents were uploaded correctly. iZinga cannot approve incomplete applications.

What to Say

Use this section to guide your conversations with prospective drivers. Keep it simple and honest.

Your 30-second pitch

"iZinga is a delivery app where drivers earn daily — money hits your account at 5pm every day you deliver. No weekly waiting. You work independently, no boss. Registration is free. Scan my QR code and I'll help you get registered — it takes under 10 minutes."

Key messages

- Daily pay — drivers are paid every business day at 17:00, not weekly
- Free to join — registration costs nothing
- Independent work — drivers choose when and where they work
- Fast approval — most drivers are approved the same day once documents are complete
- Simple app — the iZinga driver app is straightforward to use
- Stay together — you help them upload every document and wait until they submit

What documents does a driver need?

- South African ID or valid passport
- Driver's licence appropriate to their vehicle (see below)
- Proof of vehicle
- Bank account details or e-wallet number
- A smartphone (Android or iPhone) with WhatsApp installed — iZinga sends delivery notifications via WhatsApp

Which vehicles qualify?

iZinga accepts four vehicle tiers. Delivery rates differ by tier, so make sure you register the driver under the vehicle they actually use.

 Bike Motorbike or bicycle Licence: required for motorbike; none for bicycle	 Car Small or medium vehicle Licence: Code B	 Bakkie Light delivery vehicle Licence: TBC — confirm with iZinga	 Truck Box truck, larger loads Licence: TBC — confirm with iZinga
---	---	--	--

Bakkie and truck licence requirements are not yet confirmed — check with iZinga support before telling a bakkie or truck driver what licence they need.

What NOT to say

- X "You will definitely be approved" — iZinga decides, not you
- X "You will earn R[X] per day" — earnings depend on deliveries, not guaranteed
- X "Registration closes soon" — do not create false urgency
- X "I can help you skip the document requirements" — you cannot and must not

Rules & Prohibited Conduct

Your Ambassador agreement (ICA) sets out the full rules. The most important ones are summarised here. Breaching these can result in immediate termination and forfeiture of unpaid commission.

Rule	Detail
No charging drivers	You must never charge a prospective driver any fee – registration, training, or otherwise.
No false claims	Do not guarantee approval, specific earnings, or any outcome iZinga has not published.
Leave documents to the driver	You may help a driver navigate the upload screens, but never take custody of their ID, bank details, or documents on iZinga's behalf.
No link manipulation	Do not attempt to bypass the referral tracking system or claim commission for drivers you did not refer.
Brand usage	You may use the iZinga name and logo in referral materials, but they must be accurate and not misleading.
Confidentiality	Keep iZinga's commission rates, approval criteria, and business information confidential.

Your ICA

The full terms of your Ambassador agreement are in the iZinga app under My Agreement. You accepted these terms electronically during onboarding. Read them if you have any doubt about what is permitted.

Frequently Asked Questions

When do I get paid?

Your R70 commission is triggered when iZinga approves a driver you referred. It is paid in the next automated payout run, which runs daily at 17:00 on business days.

How do I know if my driver was approved?

Check the My Drivers tab on your dashboard. It shows every referred driver and their current status.

What if a driver says they scanned but I don't see them?

They may have registered without using your QR code or link. Attribution is only confirmed if your Ambassador ID was in the registration record. You cannot claim retroactive attribution.

Can I refer someone who is already on iZinga?

No. If the driver already has an iZinga account, they are not a new referral and no commission applies.

Is there a limit to how many drivers I can refer?

No. There is no cap on the number of drivers you can refer. Each approved driver earns you R70 once, so the more drivers you bring in, the more you earn.

What if my bank details change?

Update them immediately in your iZinga profile. Pending commission will be held until valid bank details are on file.

Can I recruit other ambassadors?

No. The ambassador programme is for driver referrals only. There is no multi-level or sub-ambassador structure.

What if a driver asks me for money or to pay for their registration?

Registration is always free. If a driver is told they need to pay anything, they should report it to iZinga support immediately. You must never charge for referrals.

How do I contact iZinga support?

Reach out through the iZinga app or email support@izinga.co.za for ambassador-specific queries.
